Dear Preschool Parents:

February 2023

Welcome to the 2023-2024 school year at Tustin Community Preschool! We're looking forward to a great year. Enclosed are medical and general information forms that need to be on file for you and your child **before school starts**. The laws governing preschools in the State of California require over half of these forms. Until the necessary records are on file at TCP, your child may not attend class. Please fill these forms out carefully and completely to ensure a successful start to the school year.

If this is your child's first year at TCP, your pediatrician must complete and sign the Physician's Report (form #5) to verify that your child has received the appropriate immunizations. The State requires that children receive vaccinations against *measles, varicella (chickenpox), mumps, rubella, polio, DTP, Hib and Hepatitis B*. Please indicate to your child's pediatrician that we need the specific dates of each immunization listed on the form. Make your doctor appointment ASAP.

2nd year students most likely do not need a new physician's report (since they're good for 2 years from the date of the physical); however, we do need parents to let us know if anything has changed with regard to your child's health since last year. Please include a photocopy of your child's immunization record regardless of any changes.

In addition to your child's immunization requirements, we are now required to show proof of the following vaccinations for all working parents: *Influenza, Pertussis (Whooping Cough), and Measles*. Please see "Working Parent's Vaccination Requirements" in the working parent packet for more info.

New parents who will be working at the school are required to have a doctor sign the Health Screening Report and **provide results for a current TB test (good for 4 years)**. **Parents who are returning are required to submit updated health forms every other year and an updated TB test or x-ray (if needed) every 4 years**. Any other parent or grandparent who will be helping at the preschool must also meet these requirements.

Please complete all forms included in this packet and return them with your materials fee and first month's tuition no later than packet drop-off June 7, 2023 between 10am and 1pm.

Save the Dates (an exact list of dates will be provided at packet drop-off)

Registration Packet Drop-Off: Packets are due back no later than June 7, 2023 between 10:00 a.m. and 1:00 p.m. at TCP (you may return them to the office any time prior as well). Membership coordinators will be on hand to collect and go over your forms with you at packet drop-off. Your class VPs (liaisons/working parent schedulers) will also be on hand to meet you!

Welcome Back Popsicle Party: This is a fun event to give new and returning families a chance to meet with the Director and see the school. It is typically held on an afternoon a few weeks before school starts.

Parent Orientation: Normally on an evening at the end of August in the TPC big hall. This meeting is MANDATORY. Each student must have at least one parent or grandparent in attendance. Please arrange for a babysitter because children are not allowed at Orientation or the Walk-Through trainings.

Walk-Through: Attendance at one of these walk-throughs is mandatory for all parents or grandparents working in the classroom at TCP. Alumni returning working parents must attend a walk-through, unless they are entering their fourth consecutive year in the preschool. Walk-Through is an adult-only event. **You MUST attend ONE of these walk-throughs for your child to attend TCP. Starting the year off with good training and making sure everyone understands how TCP works is critical to your child (and all of the children) having a spectacular year!** Typically also at the end of August with day and evening options.

First day of school: Typically at the beginning of September, after Labor Day.

***Parents of new students must attend the entire first day.**

Back to School Family Night: Our Back to School Night is typically held on an evening towards the end of September, from approximately 5-7:30, likely at Peppertree Park. Come enjoy a night of good food, treats, and entertainment for the whole family.

We look forward to seeing you at Packet Drop-Off on Wednesday, June 7. If you have any other questions, do not hesitate to contact us!

Chris Kenney and Claudia Pinedo, membership@tcp4kids.org

Frequently Asked Questions

“I will not be able to have all of my paperwork completed by the due date.”

To secure your child’s spot in the school, please complete and send all the paperwork that you can complete to us no later than **June 7**. The \$130 materials fee and first month’s tuition are due with the completed packet. **Packets are due by June 7 at 1:00 p.m.**

“I will have 2 children at TCP. Do I need to fill out all of the forms for both?”

Yes. Each child will have their own file. Therefore, please complete separate packets for each child.

“Does my child’s grandparent need to fill out a Criminal Report to work at the school?”

Yes, we require that both parents, as well as any grandparent who works at the school, have a criminal report in the office records. You can get more copies from the membership coordinators or make a photocopy of your original and change the title to “Grandparent”.

“Why does TCP require Live Scan fingerprinting?”

While TCP offers a fun environment for your child to play and learn, we also want to ensure it is a safe one. That means completing a thorough background check for all working parents/grandparents, who work directly with your child on a day-to-day basis.

“Is my social security number required for Live Scan fingerprinting?”

The Department of Justice has strict policies and procedures when it comes to the care and safety of citizens’ (applicants’) personal information. A reputable Live Scan service provider, by law, must adhere to these rules.

“I had a child enrolled at TCP two years ago. Do I still need my TB test?”

For every working parent, a TB test is required to be on file before starting at TCP. TB tests are good for 4 years, after which time a new test must be performed.

“The results from my TB test will not be back in time for the registration packet due date.”

Please make a note of it on your admissions checklist and return the rest of the packet by **June 7**. Contact a membership coordinator to make arrangements for turning in the TB form. TB test results must be on file by the start of school.

“For the Parent’s Health Screening Report (Form #3W), do I need to schedule an actual physical with my doctor?”

It depends. If you have a regular physician who knows your health history, he or she will probably sign the form when you schedule your TB test. If you haven’t seen a doctor in some time, you’ll need to schedule a physical. Physicals for parents are good for 2 years.

Frequently Asked Questions

“My child has had all of his/her vaccinations. Do they need to visit the doctor for an actual check up to complete the Physician’s Report of Health (Form #5)?”

No. Contact your doctor’s office and explain that you are signing your child up for preschool and that there is a vaccination and health evaluation requirement. They will be able to fill out the form by referring to your child’s health record and will mail it to you or have you pick it up when it is filled out (preferable). Some offices charge a minimal fee for filling out the form.

“How much money do I owe at this time?”

When you enrolled, you paid a \$125 enrollment fee. Due now is the \$130 materials fee and the first month’s tuition (for September). If paperwork is submitted complete by **June 7, 2023**, a \$25 credit will be applied toward this total. The monthly tuitions are \$185 for 2-day classes and \$240 for 3-day classes, with a 10% discount for additional siblings. There is no sibling discount for the Parent/Toddler program. Starting in October, tuition is due for that month by the 1st of the month. A late fee of \$10 is assessed after the 5th of each month.

“How do I pay my tuition?”

Tuition must be paid via EFT (electronic funds transfer). Please refer to form 15 in the registration packet. Please note, all credit card authorization forms will be shredded immediately after the information is loaded into our secure database.

“What is Parent Orientation?”

Parent Orientation is the first MANDATORY working parent meeting of the year. It is an opportunity to learn about the philosophy and benefits of a co-op school, as well as to become familiar with the responsibilities involved in being a TCP parent. This is a parents-only event. Failure to attend Parent Orientation will jeopardize your child’s enrollment.

“What is the Walk-through?”

The walk-through is a mock workday to demonstrate to parents what to expect and what to do when they work in the classroom. This is a parents-only event and it is MANDATORY. No children may be present. Grandparents who plan to work must also attend. Alumni returning working parents must attend a walk-through unless they are entering their *fourth consecutive* year in the preschool, after which they are more than welcome to come for a refresher.

“What is the Welcome Back Popsicle Party?”

The Welcome Back Popsicle Party is a fun social activity for parents and children. It is an opportunity for the children to come see the school, teacher, and the Director. Parents will have an opportunity to meet other parents with whom they will be working and children will become familiar with TCP.

Tustin Community Preschool

Frequently Asked Questions

“When will I get my committee job assignment?”

The Committee Coordinator will contact parents about their job assignments sometime after school starts. She will need time to review all Committee Job Interest Sheets and determine the best match for each job. All jobs should be assigned by the end of September or at the October parent meeting.

“How much time will my committee job take?”

Most jobs require a minimum of one hour per week beyond the normal time working in the classroom. Some jobs have times during the year that require more hours in a week, but it usually averages out to be four-six hours per month. We all pitch in to help when needed. Your child’s experience at TCP will be enhanced if you have a positive attitude with your committee job, working in the classroom, and offering to help when needed!

“What is a love note?”

In case of a stressful situation such as an earthquake, a love note and family picture will be used to calm your child. For example, “Dear Sweetie Pie, Mommy and Daddy love you very much and will be at school soon to bring you home. Your teacher and the working parents will take good care of you until we come. I can’t wait to see your smile and give you a big hug! Love, Mommy.” (Please do not attach toys, stuffed animals, etc.)

**Does not have to be on the provided form--feel free to write in a card, make a card, etc. if desired*

“Do I bring my enrolled child with me on work days?”

Yes. You will arrive 30 minutes before your class time to set up the classroom and stay for 30 minutes after class to clean up (or slightly longer as needed for completion). The Director or another working parent will supervise your child the entire time. Only your enrolled child may be with you on working days. Also, arriving 15 minutes or later to a scheduled work shift will result in a penalty fee of \$60 and may require you to reschedule your shift.

“What is the Materials Fee?”

The materials fee is used to cover the cost of materials for all of the wonderful art and paint projects we complete at TCP. These materials include paint, glitter, glue, paper, stickers, etc.

Tustin Community Preschool**Obligations of Parents****2023-2024**

Tustin Community Preschool is a child-inspired cooperative preschool, where kids learn, play, create, and interact in a nurturing, safe setting.

We understand that TCP is a cooperative preschool and that parents work under the direction of a paid director/teacher.

Enrollment fees and first month's tuition are NON-REFUNDABLE after August 1, 2023.

As the parents of _____, we agree to carry out the following responsibilities of Tustin Community Preschool in addition to our monthly tuition payments:

1. Complete the school's Registration Packet that is available via the website and due back by **June 7, 2023**. Individuals who do not complete the packet or communicate with TCP by its due date will forfeit their child's spot in our school. A sample of the Registration Packet is available for your review in the office. **The \$130 materials fee is due with the packet.**
2. Attend the Parent Orientation Meeting, plus one of the scheduled training walk-throughs that week for all parents/grandparents who will be working in the classroom. The dates and times for orientation and the walk-through will be in the Registration Packet.
3. Participate in the classroom as a Working Parent as scheduled, *averaging from one to three times per month*. **A \$60 penalty will apply per shift that is missed.** A missed shift is defined as arriving 15 minutes or more after the start time for the work shift. If the working parent misses the shift completely, or it has been covered, they must make up an additional work shift.
4. Purchase and bring snack to class approximately four times during the school year per child you have attending the school. Snack averages \$35 each time.
5. At least one parent who works in our classroom must attend a Parent Meeting on the first Tuesday of each month. The Parent Meeting begins at 7:00 p.m. with refreshments available by 6:45 p.m. Two times per year, each parent is required to bring an assigned potluck item to the meeting. Families with 2 children enrolled are required to bring an assigned potluck item 3 times per year. Families with 3 children enrolled are required to bring an assigned potluck item 4 times per year. You are also required to help set up and clean up from that particular meeting. Additional work may be assigned if more than one Parent Meeting is missed.
6. In addition to being a Working Parent on scheduled days in our classroom, each family takes on a "Committee Job" which helps maintain or run our school. The timely performance of these jobs is critical to our school program running smoothly! Most jobs require a **minimum of 4-6 hours per month**.
7. Work at least three Extended Days during the year (one every three months). Families with 2 children enrolled work 4 Extended Days. Families with 3 children enrolled work 5 Extended Days. Extended Day is a bonus program for the children on Tuesdays and Fridays from 11:30 to 2:00 p.m. Work shifts are 11:25 to

2:30 p.m. Children bring a packed lunch and the program costs \$15 per day. When you work your three Extended Day shifts, your currently enrolled child is free to attend on those days. **A \$60 penalty will apply per shift that is missed or not signed up for.** A missed shift is defined as arriving 15 minutes late for a work shift. If the working parent misses the shift completely, they must make up an additional work shift.

8. Participate in one of three scheduled Dads' Work Days (6 hours on a Saturday) OR pay a buy-out fee of \$125 to TCP, \$62.50 if enrolling after February 1st. Families with 2 or more children enrolled participate in 2 Dads' Work Days.

9. Work two special event shifts (i.e. clean-up crew at The St Patrick's Day Parade), one by February 1st and the second by the end of the school year. Families with 2 children enrolled work 3 special event shifts. Families with 3 children enrolled work 4 special event shifts. **A \$60 penalty will apply per shift that is missed or for which you do not sign up.**

10. Mandatory participation in TCP fundraisers, which includes the following:

A. Participation in our annual Fall Garage Sale. Each family will:

1. Donate \$50 worth of "used" clothing, furniture or household items.
2. Work a 90-minute shift during set-up when you bring your donations.
3. Work a two-hour shift during the sale.

B. Pay \$100 per family for our Spring Fundraiser, typically an Auction, due by February 21, 2024, or \$120 automatically charged with March 1st tuition.
